

TOWN OF DISH

Application Checklist for the Gas Well Permit

- (1) The date of the application
- (2) An accurate legal description of the lease property to be used for the gas operation, the parcel and the production unit and name of the geologic formation as used by the Commission. Property recorded by plat should reference subdivision, block and lot numbers.
- (3) Map showing proposed transportation route and road for equipment, chemicals or waste products used or produced by the gas operation.
- (4) Proposed well name.
- (5) Surface owner names(s) and address(es) of the lease property.
- (6) Mineral Lessee name and address.
- (7) Operator/Applicant name and address and if the Operator is a corporation, the state of incorporation, and if the Operator is a partnership, the names and addresses of the general partners.
- (8) Name and address of individual designated to receive notice.
- (9) Name of representative with supervisory authority over all gas operation site activities and a 24-hour phone number.
- (10) Location and description of all improvements and structures within five hundred (500') feet of the well.
- (11) Owner and address of each parcel of property within five hundred (500') feet of the proposed drill site.
- (12) Location and description of all improvements and structures within one thousand (1000') feet of the well.
- (13) Owner and address of each parcel of property within one thousand (1000') feet of the proposed drill site.
- (14) A site plan of the proposed operation site showing the location of all improvements and equipment including the location of the proposed well(s) and other facilities, including, but not limited to, tanks, pipelines, compressors, separators and storage sheds.
- (15) The name, address and 24-hour phone number of the person to be notified in case of an emergency.
- (16) The exact and correct acreage and number of wells.
- (17) Copies of all reports required by the Commission.
- (18) A signed Road Maintenance Agreement supplied by the Town that provides that the Operator shall repair at his expense, any damage to roads, streets, utilities or highways caused by the use of heavy vehicles for any activity associated with the preparation, drilling, production, and operation of gas wells.
- (19) A description of public utilities required during drilling and operation.
- (20) A description of the water source to be used during drilling.
- (21) A copy of the approved Commission permit to drill together with attachments and survey plats which are applicable to the drill and operation sites.
- (22) A copy of the Stormwater Pollution Prevention Plan as required by the Environmental Protection Agency.
(A copy of the notice of intent shall be submitted to the Town of DISH, Inspector, three (3) days prior to the commencement of any onsite activity.)
